40 YEARS OF LOVE

PROCEEDS BENEFIT:

Seven-year-old Cora, from Rathdrum, lives life to the fullest even while battling Acute Lymphoblastic B Cell Leukemia.
Her passions include showing chickens in 4-H, crafting, camping, fishing, swimming, and with a heart for animals, she dreams of someday owning many Corgis as well as becoming a schoolteacher. She has already touched so many lives and we know she will impact many more in the years to come.

SUGGESTED DONATIONS:

$3 per person or $15 per family
(immediate family, their partners, and their children only, please)

HAUSER LAKE FOOD PANTRY

FRIDAY & SATURDAY December 18 & 19

2026 Candy Cane Run

Join in the fun as the Hauser Lake Volunteer Fire Department fire trucks take Santa and Mrs. Claus on a two-day tour throughout the community.
This holiday food drive benefits the Hauser Lake Food Pantry.
Select the best day for your family and bring any donations of canned goods to the following stops.
All stops are as closely followed as possible, however, delays can happen.
Listen for the sirens as we near your area!

Hauser Fire "Truck or Treat"

Hauser Fire volunteers answered the call for help making AllKlean's 4th Annual Trunk or Treat event a success in Post Falls, on Saturday, October 24th from 4-7pm. Piles of candy was handed out to the happy crowd and everyone enjoyed the beautiful fall day. If you missed this, check out next year as we hope to make this an annual event!

Meet the Hauser Heat

Watch for our new rescue boat out on the lake this coming year. Our Hauser Heat is better-sized for rescues on our lake as well as easier to operate and better on the budget.

We Are Busy!

100% Volunteer. 100% Committed.
100% Dependent on You!

A growing community means growing demand. Your Firefighters keep responding. Our calls so far this year, January thru October, Hauser Fire has already answered 177 emergency calls —with two months still to go.

This summer our volunteers gave even more! While still covering every local 911 call, our members deployed 671 hours on major wildland fires across North Idaho and beyond. That's almost 30 full days fighting fire for our neighbors!

As calls increase, we need more help. More volunteers, more supporters, more community. Join us at our many events throughout the year to see how Hauser Fire serves the community and how you might help.

2026 SERVICE SNAPSHOT

- **Total Volunteer Hours Donated:** 11,069 hours = more than 461 full days of service: 1.26 years of nonstop work!
- **Training Hours** (keeping our skills sharp): 3,512 hours
  That's like one member training full-time for 20+ months straight!
- **Emergency Responses:** 933 hours on calls + 671 hours on deployments= 1,604 total incident hours
  Every minute counts when seconds matter
